

ACROSS THE U.S., WE AGREE: TAKING AWAY OUR FOOD AND ENRICHING BILLIONAIRES BY HEALTH CARE IS IMMORAL.

\$8.2 TRILLION.

In 2025 alone, the collective wealth of billionaires in the U.S. ballooned from \$6.7 trillion to a staggering

NOT TO MENTION... BILLIONAIRES GOT RICHER! Republican lawmakers handed them massive tax giveaways - at our expense.

BUT THIS SUMMER, instead of funding what our communities need...

Republican lawmakers handed over **\$70 billion for more cruel ICE raids that Americans DO NOT WANT.**

WE DESERVE BETTER!

That's **3 MILLION** workers, kids, seniors, veterans, and disabled folks.

AND... 3 MILLION PEOPLE ARE HUNGRIER - no longer able to use SNAP to feed themselves and their families.

No matter where we live, what we look like, or where we come from, we want affordable **health care, housing, and energy.**

We want **food for our families.**
We want **thriving neighborhoods.**

WE ARE COMING TOGETHER TO BUILD AN ECONOMY THAT WORKS FOR ALL OF US, NOT JUST THE 1%.

AND ALL OF US ARE FACING HIGHER HEALTHCARE COSTS.

Many rural patients now have to travel hours to get to dialysis appointments or a maternity ward.

Over 800 hospitals, nursing homes, and clinics are at risk of closing or cutting back services because of the loss of funding.

For one couple in CT, their premium surged by almost \$2000 a month.

At least 24 million of us have seen our healthcare premiums skyrocket.

MASSIVE TAX GIVEAWAYS TO THE BILLIONAIRES WHO BACKED THIS BILL.

TOOK AWAY \$1 TRILLION FROM MEDICAID, MEDICARE, & SNAP all to pay for **ICE RAIDS** in our neighborhoods and **REPUBLICAN LAWMAKERS** in the 2025 Big, Bad budget law,

OUR LAWMAKERS: SERVING US OR BILLIONAIRES?

Most of us just want to be able to put food on the table, afford our health care, and live in a thriving community.

But Republican lawmakers and President Trump passed a budget law last summer that is making life harder for us and our loved ones.

THIS YEAR, THEY DID IT AGAIN.
